

Upcoming Products for **Cyberpunk V3**

APRIL 2006: #RT04130 C3 Dossier Pak \$12.00

In the Dark Future, it's all about the Stuff. And the Dossier pak is where you keep that stuff. These handy, heavy gauge folders have your character record printed right on the front, and can hold all your Giri Sheets, notes, information and reference sheets. Comes with four full sets of Dossiers, Giri Sheets and mail in coupon for a set of your own official C3 dice.

MAY 2006: #RT04120 C3 Flashpak \$15.00

Need to get your **Cyberpunk** game up and moving fast? The **FLASHPACK** contains everything you'll need to run a basic intro game in the **Cyberpunk** system, plus lots of useful stuff even an experienced Ref can use. Contains:

- Referee/player reference screen: no more hunting around for the important tables you need to create characters or run combats.
- 36page micro rules set for fast, simple skirmishes. Perfect for starting players, also includes Character Templates
- New Bioforms, Body shells, ACS vehicles, Mecha, Transforms and NuCybe systems.
- Adventure Maps for running games in new settings.

JULY 2006: #RT04140 Gangs of Night City, #1 \$14.00

Know your enemy—before he gets the drop on you! This handy book contains background and characters for 36 of the Night City Megaplex's most dangerous gangs. Get the inside story on who's running the show, where they hang, what they're up to. **Gangs of Night City: don't leave your heavily fortified Genius Building without it!** 48 pages.

AUGUST: #RT04150 Altcult Insider #1: Desnai \$16.00

Want to rack up some Giri with the Altcult next door? Need to know more about the Altcult you're in? Want to master the secrets that will allow you to make your own Alt Tech? It's all revealed in this series of inside guides. With #1, The Desnai Insider, you'll learn who runs the secretive world of the Parkers and what their agenda is. You'll delve into the inner most reaches of the Parkologies with maps and information on everything from a typical conapt to the steam tunnels where the Founder lies frozen in cryosleep. Get your serious lust on for all new hardware to create mechanized mayhem. And if you're ready, tackle the arcane art of making your own Desnai based altech. It's here in the Desnai edition of the AltCult Insider. 64 pages.
